## **Rep. DeGeeter Appointed To Midwestern Legislative Conference Innovations Selection Committee**

State Representative Timothy J. DeGeeter (D-Parma) has recently been appointed by Speaker Jon Husted to serve as a member of the Midwestern Legislative Conference Innovations Selection Committee.

The Midwestern Legislative Conference represents eleven Midwest states. The main objective of the MLC is to “foster regional intergovernmental cooperation in the Midwest through the joint consideration of common problems, the interchange of information and ideas, the sharing of knowledge and experience and, as appropriate, the pursuit of collaborative efforts to improve state government.”

Rep. DeGeeter will serve on the Innovations Selection Committee responsible for choosing two programs that Midwestern states have implemented to receive awards given to policies or programs that have been successfully enacted by state governments and could be adapted by other states.

As part of the job, Representative DeGeeter will be responsible for attending meetings, specifically the MLC’s 62<sup>nd</sup> Annual Meeting in Traverse City, Michigan. He will also be responsible for ideas and comments regarding committee activities.
