Rebates for Energy Efficient Appliances Still Available in Ohio

Approximately \$3.5 million of \$10.4 million funds are still available for Ohio's energy-efficient appliance rebate program on a first-come, first-serve basis.

Do you have old, inefficient appliances around the house? Are you interested in upgrading to more energy efficient appliances while providing a boost to our economy? The Ohio Energy Efficiency Appliance Rebate Program is offering rebates and spurring energy savings for select ENERGY STAR® qualified appliances at Ohio retail locations.

The program was launched on March 26, 2010 with initially more than 89,000 rebates available on a first-come, first-serve basis. Ohio consumers can purchase ENERGY STAR® qualified refrigerators, clothes washers, dishwashers, high-efficiency gas storage water heaters, and electric heat pump water heaters from Ohio retailers. Rebate values will range from \$100 - \$250, depending on the ENERGY STAR® qualified appliance selected.

New appliances must be purchased within three days of the reservation, and the old appliances must be hauled away and recycled according to Ohio and federal laws.

According to the website, the remaining available funds as of today are listed below:

Products to be Rebated	Available Funds	Used Funds
CLOTHES WASHER	729,508.00	2,825,500.00
DISHWASHER	231,155.00	1,800,250.00
REFRIGERATOR ¹	1,020,508.00	1,518,700.00
ELECTRIC HEAT PUMP WATER HEATER	355,650.00	152,250.00
HI-EFFICIENCY GAS STORAGE WATER HEATER	1,155,306.00	368,200.00

****Notice: You are not guaranteed to receive a rebate as rebate funds may run out.***
